Deputies

I have made several references to operational security breaches in Ottawa. Our intelligence team briefed on this yesterday to Chief Pardy's group. Further, we sent a Third Party Intelligence Report on it to OPS yesterday. The communication captured below is another example – every example that I have been provided with has been accurate.

Mark, Ken and Carson,

I know that you are in the planning stages. Here is 'evidence', or at least intelligence, of an operational leak. This is persistent. We will capture it appropriately. Further, it has been shared with D/Sgt Karen Marlin in the NCR CC CIG.

For your Situational Awareness.

I know it was raised on the Hendon teleconference about leaks in Ottawa.
This was just posted on the Sarnia convoy for Freedom Facebook group.
